

## Hobnobs Community Lunches and Coffee Mornings.

Since we celebrated our tenth anniversary of Hobnobs lunches in September 2019, we continued to offer lunches in the months up to March 2020. Once the virus restrictions were brought in, no-one has met for coffee or lunches in the Village Hall.

Both myself and Monnie Banford took on the task of keeping in touch with all the diners by telephone every two to four weeks, and still do.

With regard to our coffee morning attendees, and the other Hobnobs volunteers, they had a weekly email from me until such time last summer when the restrictions were lifted enough for us to meet up in the garden. We have continued to meet (now with the rule of six) or email or phone to maintain contact with diners and volunteers and hope to offer some kind of meeting in the village hall in September. During the pandemic, we have sadly said goodbye to some of our older members, whom we remember fondly.
